March 14, 2020

Stearns History Museum COVID – 19 Information

Stearns History Museum Exhibit Galleries and Research Center remain open at this time.

Hours are Tuesday 9am to 6pm and Wednesday – Saturday: 9am to 5pm.

If you want to spend some time outdoors, use the Museum as a gathering place and hike, run, or walk in Heritage Park. The Children’s Playroom at the Museum will be closed until further notice.

Museum staff and our program partners are making decisions on a case by case basis regarding March events. The Museum’s Facebook page facebook.com/StearnsHistoryMuseum will be the best place to get up to date information about changes or cancellations.

Stearns History Museum is committed to the safety and well-being of our community. We have implemented additional cleaning routines in public spaces and are providing hand sanitizer to anyone who wishes to use it. We are also cleaning work stations after each use and monitoring frequently used public spaces for extra cleaning needs.

At this time, we are following the Minnesota Department of Health recommendations combined with the CDC’s Community Mitigation Strategy for workplace and community based organizations. I am monitoring the situation as it changes.

Thank you for your support, your engagement and your interest in history.

Sincerely,

Carrie Essig, Executive Director
