## Preserve

The Museum became a partner with Rethos to offer workshops on historic building preservation, reuse, and hands on maintenance.

## Inspire

This year we fulfilled over 4,000 online patron requests and helped nearly 800 in-person researchers. Additionally, the Myron Hall photo collection positives are now available in our online catalog.

## Engage

More than 50 programs, events, and videos were produced. Additionally, SHM partnered with area libraries for free access passes so that we ALL can find ourselves in history.

## Thrive

A grant-funded project began in March to take professional quality photographs and clean up more than 10,000 object records in our three-dimensional collection. They will eventually be searchable online!

Stearns History Museum connects people through the power of history and culture. Your donation supports our mission and vision by actively funding our daily work.
